Feedback on Developments?

Travel Cups

During the last year we have introduced new travel cups for the safety of your children. It would be good to hear from you any thoughts you may have about this development. Our team would love to hear from you.

Fruit

We also added pieces of fruit to the snacks we offer for you and your children each week. Again, our team would love to hear from you, if you have any thoughts you would like to share.

Car Parking

Car Parking is difficult on-site. Please park carefully and considerately. We don't want any accidents or injuries.

*Starting back on
Monday 9th September*

Nappies

A plea to you all. We know that disposing of nappies can be a problem. We do not have any way to dispose of them for you. Could we please ask that you all take used nappies home and dispose of them yourselves?

Ideas?

Craft Ideas?

If you have any ideas for activities at our craft table for next term, or if you are willing to lead a craft activity, please speak to one of the team.

Newsletter?

This is the first issue of our new newsletter. If you have any ideas about things you would like to see in the newsletter, do speak to one of the team.

Dietary Needs

If either you or your child have any special dietary needs, please inform one of the team. We will try to ensure that we can accommodate those needs for you.

Vicar

You may have noticed that John, one of our vicars, has been with us recently. He aims to be with us as often as he can. If you would like to discuss having your child baptised, or indeed anything else, please do speak to him. He won't bite. Honest.

Have a Wonderful Summer!

See you in September. Don't forget to tell your friends about St Paul's Toddler Group. We would love to see them.
